Future Stars Tennis

Future Stars tennis programs are individually designed to methodically challenge players of all levels, ages 6-16. Throughout the week campers are encouraged to enhance their strokes and strategies via group lessons, skill building drills, organized play, individual attention, video sessions, target training and fitness routines. Each day, campers receive 3-4 hours of top-flight instruction, including fundamentals, stroke production, point play with strategy emphasis, and match play competition.

All campers are carefully grouped by the tennis director based on skill level and age. Older players who have already achieved a high level of play are invited to participate in our Tournament Training Program offered daily at some of our locations. In addition, campers also enjoy other activities such as baseball, softball, soccer, and a visit to the nearby beach.

Management

Charlie Van Dercook, the co-founder and owner of Future Stars Camps, managing director of Green Hollow Tennis Club and a former owner of Hampton Athletic Club will help guide every aspect of the Camps' exciting schedule and full range of activities. His extensive experience and outstanding staff ensures that this summer will be a memorable one for your child.

Lunch

During the week campers will enjoy a barbecue day, a pizza day, and the remainder of the week will consist of a buffet selection of sandwiches and salads. In addition, every day there will be unlimited drinks, fruits and deserts. Lunches will be refrigerated for campers who wish to bring their own.

Transportation

Door to door transportation is available for Sandy Hollow and Green Hollow.
