Please call FSCamps Office (516) 226-2267 or email ow@fscamps.com for transportation availability in your area.

All vehicles used for FSCamps are air-conditioned and are the 'smaller' school buses with seat belts available for all passengers.

All drivers are qualified and experienced professionals, exceeding all requirements pursuant to NY State Law & Guidelines.

Please be aware as FSCamps summer sessions are weekly, the enrollment does change week-to-week, therefore, bus routes also change week-to-week.

Pick-up times are generally 7:45am-8:45am range (*may be earlier subject to location*), and buses depart campus each day at 4pm.

FSCamps staff are on-site to facilitate morning (am) bus arrival and afternoon (pm) bus departure each day during the summer.

Bus routes run similar to a train schedule, stops furthest from campus will have the earlier pick-up times in the morning and later drop-off times in the afternoon.

Routes are NOT done in reverse for the afternoon (first AM pick-up is also last PM drop-off).

Routes are generated by the transportation company – *and reviewed by FSCamps office* – with allowances for time at each stop with the bus following a set route and adhering to state speed limits.

Families who add the transportation option will be required to submit a **'transportation form'** prior to the summer, and will receive more detailed info about FSCamps Bus Service from the camp office and transportation director before the start of camp.

Families who add the transportation are notified the Friday prior to a given session, via email, with pick-up time range for the upcoming FSCamps session. Projected drop-off time assumes a similar commute time home.

Campers are reminded that their safety is of paramount concern, and as such should act and behave in an appropriate manner both on the bus and while at camp. Failure to comply with bus and driver directives may result in loss of bus services.

FSCamps also offers extended hours for camp families who may have need, with Early Drop-Off (From 8am) and Late Pick-Up (To 6pm) options available for an additional cost of \$50 p/week for each option.

Please call FSCamps Office (516) 226-2267 or email ow@fscamps.com with any transportation and/or extended hours questions.
