1 pm Waterpark & Game Tent
2:15 pm Cosmetology Skills 3
3:30 pm Daily Review
3:45-4 pm Departure

Welcome to our Cosmetology Summer Camp! Designed for campers with a passion for beauty, style and creativity, this program offers a fun and hands-on introduction to the exciting world of cosmetology. Campers will explore the fundamentals of skincare, hair styling, makeup artistry, and nail design, guided by professionals in the field. Through interactive activities, DIY beauty projects, and team-building challenges, campers will gain confidence in their skills and express their unique sense of style. Our camp fosters creativity, encourages self-expression, and teaches the importance of self-care and personal presentation.

Programs will take place in collegiate classrooms with all necessary equipment provided. Additional recreational games and Water Park activities supplement the daily curriculum to give campers a balanced day of creativity and fun.
