1 pm Waterpark & Game Tent
2:15 pm Esports Competition
3:30 pm Daily Review
3:45-4 pm Departure

The Future Stars Esports Camp offers an exciting and immersive experience for campers interested in the growing world of competitive gaming, teamwork, and digital strategy. Designed for both beginners and experienced players, this camp combines the thrill of esports competition with valuable lessons in leadership, communication, teamwork and technology. Campers will have the opportunity to play and learn across a variety of popular titles such as Rocket League, Super Smash Bros, Valorant, and more, all within our state-of-the-art collegiate Esports Arena. Through guided practice sessions, friendly daily tournaments, and team-based challenges, campers will experience a mix of competition and creativity with fun themed days such as Marvel Day, Team Spirit Day, Jersey Day, or Rivalry Day, adding excitement and community spirit to each session.

A major focus of the program will be on sportsmanship and self-management, teaching campers how to handle emotions during competitive play, maintain respect for teammates and opponents, and demonstrate composure under pressure. These lessons will help campers grow not only as players but as confident, respectful individuals both in and out of the game.

The program will take place in Farmingdale State College's Esports Arena, equipped with high-performance gaming PCs, consoles, and peripherals. Additional recreational games and Water Park Activities supplement the daily curriculum to give campers a balanced day of gaming, learning, and fun.
