REGISTRATION

WHEN CAN I SIGN UP FOR CAMP?

Enrollment for Summer 2025 is open as of October 9th, 2025.

HOW DO I REGISTER FOR SUMMER PROGRAMMING?

Registration must be completed through our online portal - Camp In-Touch. Once a camper is enrolled online, the application is processed on our end manually. You will then receive a confirmation email.

HOW DO I MAKE CHANGES TO MY CAMPER'S SCHEDULE?

Any camp week additions must be made via the CampInTouch portal.

Any other changes -- cancellations, switching weeks or programs, etc. -- must be emailed to us so that we have receipt of the change. We always respond to confirm receipt. If you haven't gotten an email back, it is a good idea to follow up on the change.

CAN I MOVE A WEEK OF ENROLLMENT TO ANOTHER WEEK?

Yes, as long as the office is alerted by 3PM on the Friday prior to the when the week begins, and as long as there is space in the program or week that you're interested in moving your camper into. Many families reserve weeks early to guarantee a spot, then make changes as the summer approaches if needed.

CAN I SWITCH MY CAMPER INTO A DIFFERENT PROGRAM BEFORE CAMP BEGINS?

Yes, we can switch programs as long as the office is alerted by 3pm on the Friday prior to the start date of the given week. There is no additional cost unless the programs are priced at different rates. The difference will be charged to the default credit card on file.

CHANGING PROGRAMS

Our flexible enrollment allows you to switch programs as long as we have capacity in your chosen camp and are notified by the Friday prior to your camp week. There is no additional cost unless the programs are priced at different rates. The difference will be charged to the default credit card on file.
