Campers are at no time allowed to carry medication, of any kind, throughout the camp day (aside from inhalers). Any carry permission must be approved by the physician. Campers must not take medication without official written directive from the physician, and without supervision of our medical staff.

I request that the Future Stars Summer Camp medical staff supervise my child as he/she administers the medication provided, as described by the physician. (Epi-Pen’s are not expected to be self-administered, if needed)
