

# Attention all parents and campers: Camp Pictures

For the 7th year, *Future Stars Camps* and *Sportography* will be teaming up to offer fantastic group and individual portrait opportunities each week in 2010. This is a great way for you and your child to remember the fun summer and friendships!

Returning campers may remember that Sportography provides a wide-assortment of creative, sports-themed photo products, high quality portraiture, and a *Future Stars* exclusive **discounted price** on group photos.

Here is how the program works:

- Each week, campers will be sent home with a product/price sheet listing all the different options Sportography has (or simply download from our website).
- On THURSDAY of each week photos will be taken.
- If you wish to purchase a package or item, you must send a completed order form – payment enclosed – with your child on or before photo day.

\*please note: you must include a separate form and payment for each week/session for which you want to order pictures

- Sportography representatives will visit each area/activity of the camp, collect the completed order forms, and take photos of any purchasing individuals and ALL groups. ***Photos will not be taken without a completed order form!***
- Photos will be mailed directly to your home, about 2 weeks later.

It's that simple!

Keep your eyes peeled for order forms coming home each week, and be sure to send them in on photo day if you wish to purchase these great keepsakes. Thanks for your cooperation and participation

*Future Stars Camps & Sportography*
