**Meal Service for your camper is provided  
by**

We are the food provider for the college year round. Every summer we change our operation to offer fun and healthy options for your kids. We have a full time professional staff dedicated to culinary delights and food safety. Nobody goes home hungry! We have something for everyone.

Kosher\* options are available everyday. Special dietary needs can be addressed. Food allergies, no problem. Our staff will make sure your child has the food they enjoy as well as the special needs they deserve.

Ask the staff at **Future Stars** for a story about how we have provided for them over the past two years. They will tell you that we will not leave any child hungry! We make sure that we end the week with a special treat and start off every week with the same great attitude.

Feel free to contact us at any time.
