

LITTLE STARS CAMP

Dear Parents and Families:

I would like to take this opportunity to introduce myself, my name is Michelle Alutto and I will be the director of the Little Stars program this year. This is my 4th year working with the Little Stars and I am looking forward to another great year with your child. I am a NYS Certified Art Teacher with a Masters in Education and I love to be creative and engage the students in many various activities.

Little Stars will incorporate a number of activities and experiences that are designed to support your child's individual interests, creativity, and imagination. In a safe, calm and nurturing environment your child will explore concepts in visual arts, music, dramatic play, swimming, and sports. The staff will instruct a meaningful learning experience to support intellectual, social and personal development by making the day both exciting and imaginative for your child.

Please feel free to e-mail me with any questions or concerns. Once again, welcome to Little Stars and I look forward to getting to know your child and to a fun-filled summer!

Fondly,

Michelle Alutto
