SAFETY

Future Stars Summer Camp has extensive safety and emergency protocols to ensure all participants can enjoy their time at camp in a secure environment. We have a security guard on site at all times. Our comprehensive plan encompasses a wide range of safety measures and guidelines that will be implemented throughout the duration of the camp, and if needed in a time of emergency. Our goal is always to create a safe and nurturing environment where campers can grow, learn, and create lasting memories.

CURRICULUM

ABOUT FUTURE STARS

Future Stars was founded in 1980, and has expanded to over 10 locations across Long Island and New York State. Our mission is to help campers develop skills and self-confidence in athletics, arts and education while cultivating lasting friendships and summer memories.

LEADERSHIP

Our camp directors all have 5+ years experience and lead a skilled and dedicated team of program directors. Our staff is comprised of high-school and college aged counselors, an EMT, security guard, lifeguards, administrative staff and more. Camper to counselor ratios are 8:1 across the board, 5:1 for ages 3-5, and 3:1 for age 2.

STARS VALUE SYSTEM

The STARS value system serves as a general curriculum that emphasizes social skills and verbalizing emotion alongside motor skills development. When campers, regardless of age, are involved in two-way conversation and ask questions, their retention is much greater than one-sided directives. Each day of the week is centered around each letter & word from the acronym. Programs begin the week with a discussion based activity to introduce and understand these values, and how it relates to campers, coaches, and group experiences.

OUR APPROACH

Social-Emotional Learning is all about helping campers grow as individuals, fostering positive relationships, and building essential life skills. We believe in the importance of nurturing not just athletic skills, but also the hearts and minds of our campers. Through fun and engaging activities, we empower campers to understand and manage their emotions, show empathy and respect to others, make responsible decisions, and develop healthy communication skills.
