

CAMP LUNCH MENU

CAMPUS DINING SERVICES BY ARAMARK

* Our 2021 lunch menu has been revamped for this summer due to on-campus facility restrictions. We are happy to be able to provide a lunch option for those that would like to add this to their child's camp experience, and if you have any questions, please feel free to reach out to our office or the Aramark team.

This year, tents with tables and chairs will be set up for us on the "Great Lawn" directly across from the athletic center. We will also have access to a small classroom for extra seating, as we will continue to keep groups properly spaced from one another during our lunch periods. We will **NOT** be eating in our typical Campus Center location, but will be back there next year!

****There will be no other lunch options on-campus, aside from the menu found below.****

As part of our all inclusive and comprehensive camp experience, we offer a delicious and well-balanced daily lunch (**additional weekly fees**). Menus are planned for variety, taste, and nutrition so our campers can relax and enjoy themselves while preparing for their afternoon activities. Our staff will make sure your camper has the food they enjoy each day.

Aramark is the year-round food service provider for Farmingdale State College. Their professional staff works full-time and is dedicated to culinary delights and food safety. They will be preparing meals each day, pre-packing most menu items, and delivering them to our campers on the great lawn.
