OUR MISSION

To teach, inspire, and motivate each and every camper.

OUR HISTORY

Since 1980, and on campus in Syosset at OLMA beginning 2021.

OUR CAMPERS

From young beginners working on gross motor skills to middle school students and athletes, we personalize our programs to challenge aspiring youth to reach another level in their development. Each camper is grouped by the director into an age and level appropriate group that allows for swift advancement in skills, while also providing fitting social opportunities for the individual.

OUR STAFF

We take great pride in our staff. All programs are overseen by directors who are qualified and experienced adult professionals in their field and are passionate about working with children. Assistant coaches, teachers, instructors and student athletes ensure an outstanding team of staff members for our campers.

OUR CURRICULA

Each program implements an age and level appropriate curriculum with weekly programs and daily schedules. Character development is stressed, along with skill acquisition. The activities are scheduled to maximize the campers' time learning and growing, while creating the most enjoyable experience and memories.
